Medical Record, Vol. 55: A Weekly Journal of Medicine and ...

Excerpt from Medical Record, Vol. 55: A Weekly Journal of Medicine and Surgery; January 7, 1899-June 24, 1899 A tabulated statement showing the duration of the disease as affecting the length of treatment would be of

little value, because the time necessary to effect a cure depends principally upon the severity of the attack. My notes, however, show that the most marked effects of the ...

The American Journal of Pharmacy, 1883, Vol. 55 (Classic ...

Excerpt from The American Journal of Pharmacy, 1883, Vol. 55 Seeing that the gummy matter is the chief obstacle to exhaustion, the writer sought to decompose it, in a preliminary operation, by means of dilute sulphuric acid.

The Buffalo Medical Journal: 1845

Fielding H. Garrison's paper "The medical periodical and the scientific society" cited the Buffalo Medical Journal in the company of eminent periodicals published in Berlin, Boston, and Edinburgh. This article provides an overview of the Journal and places it in context of 19th-century medical journalism.
