Model 12 - The Model 12 was the first hammerless slide-action shotgun made by this company. Model 25 - The Model 25 is similar to the Model 12, but it does not have the take-down feature. Content provided for informational purposes only. eBay is not affiliated with or endorsed by Winchester.

Back to the Future: The Winchester Model 59

The Winchester Model 59 features technological advancements and innovations never seen before when it was released in 1960. A six-pound twelve gauge semi-automatic that is reliable and easy to clean proved it to be ahead of its time. There are no gas valves, inertia systems or complex mechanisms that make this gun function.
